## The Case of the Lamp that Went Out

by **Augusta Groner**

Translated by Grace Isabel Colbron

"The Case of the Lamp That Went Out" is one of the earlier Joseph Muller stories originally published in German in 1899. The English translation was published in 1910 in a collection of five detective stories in "Joseph Muller: Detective - Being the Account of Some Adventures in the Professional Experience of a Member of the Imperial Austrian Police" which featured an Introduction to Joe Muller also included here. In this installment, the body of a well-dressed man is found in a vacant lot early one morning. With very few clues and no witnesses, it is up to Muller to sort out the true reason for the crime and identify the murderer. (Summary by J. M. Smallheer)
